CAPABILITY STATEMENT

WOMEN-OWNED SMALL BUSINESS

MICRO BUSINESS CERTIFIED

SAM.GOV REGISTERED

A certified, Virginia-based prime contractor that holds the contract, manages performance, and delivers through a vetted network of specialized subcontractors, giving agencies one accountable point of contact from award to closeout.

§ 1.0 CORE COMPETENCIES

— Prime Contract Management

End-to-end contract execution and reporting, with full accountability to the awarding agency.

— Subcontractor Sourcing & Oversight

Identifying, vetting, and managing specialized subcontractors matched to contract requirements.

— Regulatory & FAR Compliance

Proactive management of FAR, DFARS, and agency-specific requirements from award through closeout.

— Government Procurement & Sourcing

Vendor evaluation, competitive pricing, and risk mitigation across contract requirements.

— Logistics & Supply Coordination

Nationwide sourcing, fulfillment coordination, and timeline control across subcontractors.

— Contract Administration & Reporting

Audit-ready documentation, deliverable tracking, and status reporting throughout performance.

§ 2.0 DIFFERENTIATORS

- One prime, full accountability: agencies deal with a single point of contact for the full scope of work.
- Certified WOSB and Micro-business status opens set-aside contract vehicles and supports supplier diversity goals.
- Compliance is built into every engagement from day one, not addressed reactively.
